

MARKETING SUPPORT Program

Eligible Partners:

Neptune, Saturn, Jupiter

Presenting Unitech products during an exhibition, having an effective e-marketing campaign, providing brochures to prospects, sending out manufacturer information with your own logo onto it, etc. All examples above are possible marketing activities by a Unitech partner. A professional look and feel towards the market, up-to-date information and the right marketing materials will give the end-user the right impression on your business and our brand.

Product pictures, logo(s), application pictures, product leaflets etc. are available for every United Partner to download via the partner portal. Next to these materials Unitech offers you additional Marketing Support. For example: to assist you in brochure development, setting-up a customized leaflet ~~setup~~ and many other marketing materials to support your activities. Unitech can also support you with stand material, such as banners or give-a-ways, during exhibitions.

Imagine you can leverage Unitech's support as if it was your marketing and communication department. It will not only save you on time and money, it will also allow you to benefit from the wide experience of Unitech Europe.

Terms & conditions

- MARKETING SUPPORT is always in consultation with the Unitech marketing department and Territory Manager.
- MARKETING SUPPORT program is available to Neptune, Saturn and Jupiter partners.
